

DISMISSAL FOR 2019-2020

We are a large campus of over 1,000 students. Our goal for your child(ren) is to provide a loving, supportive, and safe learning environment. Safety is of utmost priority. We continue to work on creating safe dismissal procedures for this school year.

- Where do I pick up my child(ren)?
 - **WALKERS...** If your child walks, there will be designated grade-specific areas (see below) for you to meet your child.
 - **Kinder and 2nd grade walkers** will meet parents outside the kinder wing.
 - **4th and 3rd grade walkers** will meet parents outside the 4th grade annex.
 - **1st and 5th grade walkers** will meet parents outside the 1st grade wing.
 - **CAR PICK-UPS...** These will be in the front drive-through as usual; however, students will be sitting in grade level lines under the covered area. **Kindergarten car pick up will now be at the front of the school with all other grade levels.**
- How can you help?
 - **Neon Green Signs** – Each year you receive a neon green sign that is to be put on the dash of your car so that staff can call out your child's name when it is time for him/her to meet you. Be sure these are visible since we use walkie-talkies to call out student names. Our goal is by the time you are at the front of the line, your child is ready and waiting.
 - **Keep the front porch area free.** Please do not stand under the front awning since this area is used for our grade level lines. It is preferable for you to wait in your car in the line; however, if you choose to park and walk to meet your child, please use the sidewalk.
 - **Bring your patience.** We want to make dismissal as SAFE and SMOOTH as possible. Please be patient during dismissal, especially during the first couple of weeks of school.

We appreciate all of your help and support to get all students home safe and sound!
